# MERIDY'S UNIFORMS

VIDALIA  GEORGIA

Since 1983, Meridy's innovative uniform design has been leading the way in student uniform customization.

Meridy's Soft Flex 4D features our patent pending sleeve design that is sure to distinguish your students in the clinical setting.

Flexible customization allows students to transition from semester to semester, program to program, or from educational to professional.

In addition, we offer various customization options that include sleeve trim, embroidery and/or a patch from our Traditional, Revolution, and Revolution Tech uniform lines.

# We Take Care of Everything.

Students purchase uniforms and accessories direct from a program specific web page we create.

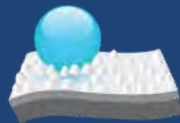

Simply include the Meridy's ordering information in the orientation packet and we will take it from there.

Our staff is confident, professional and focused when taking care of your students.
